

First American Equipment Finance chosen as the Best Company to work for in New York State

New York (April 27, 2012) – First American Equipment Finance was named winner of the Best Companies to Work For in New York State competition at an awards ceremony on April 26, 2012. First American was chosen as the winner among 26 finalists in the small/medium-sized employer (15-249 employee) category.

"We are honored by the loyalty and dedication of the exceptional professionals who work at First American," said Bill Verhelle, CEO of First American Equipment Finance. "The commitment of our team to exceed the expectations of our customers is the cause of our continued success."

Employers from across the state entered the two-part process to determine the best employers in New York. The process included a survey conducted by an independent firm that measured employee satisfaction and engagement, as well as workplace practices and policies.

First American was selected based on its employee satisfaction, plus its unique practices, such as its commitment to employee development, and its culture. First American was described as a company with a culture that is focused on loyalty, integrity, and entrepreneurial spirit.
